

COMMUNITY CO-OP NURSERY SCHOOL
OF OLD SAYBROOK

We are now on the web at www.oscommunitycoop.org!

Come see calendars, contact information, forms, and more!

There is a secure area on our site called "Parentland". This will be available only to Co-op parents. We will post pictures and other information that we do not want accessible to the world in this location.

To log in to this area, contact Brenda, the secretary for a password.

There may be times throughout the year when we would like to use pictures or video of Co-op students for public relations, projects, advertisements, or just for fun. Most pictures posted on the website will be in the secure, "parentland" location. Pictures posted online will not contain any student names. It is possible that pictures may also be taken and used by local news media. We will always exercise great care to ensure the safety of our students.

Please sign and return only the release below to Jennifer Pernal.
